WORK EXPERIENCE

Web Engineer/Team Manager
Emisia Consulting d.o.o.

05/2014 – 04/2019   *Kragujevac, Serbia*

Emisia Consulting d.o.o. is a leading company in the region specialized in translation software.

Achievements/Tasks

- It was my responsibility to translate and maintain the websites within the team of web engineers. This included work under the company's translations software and involvement in the entire life cycle of one project.
- Leading a team of more than 10 web engineers. Monitoring and evaluating the progress of all team members.
- Training of new employees with a rate of 2 to 3 per year.
- Detecting and reporting errors in translation software. More than 10 reported bugs in software per year.
- Using different tools and technologies like AJAX, JSON, SVN, JIRA, Proxy, VPN, DNS, Atlassian Collaboration, etc.
- Reducing the number of reported bugs from our clients by 10% per year.

Web engineer/Team Lead
